Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Fruscione

PROPOSAL SUBMISSION #4

Description of Respondent's Organization, Experience, and Services

Provide here a description of resources of the proposer (i.e., background, location, experience, staff resources, financial resources, other resources, etc.) that demonstrates their capacity to perform the work under this RFP. Include proposer prepared documents as appropriate.

After fifteen years of experience in remediation and reconstruction Robert Newman started Rapid Recovery Services, LLC in 2006. The incorporation of Rapid Recovery Services was a natural progression in his already distinguished career as a general contractor and emergency mitigation specialist. During his years working as a Project Manager for large disaster remediation firms in the metropolitan area. Bob learned not only the most effective approaches to disaster remediation but also the finer points of earning a client's trust and confidence. In those years he also established a powerful network of colleagues, contacts and experts in the field.

To fulfill his vision for Rapid Recovery, he mined this network to assemble an integrated emergency mitigation team in New Jersey. Throughout the State of New Jersey, we have pre-qualified suppliers and vendors to support not only a fast response, but cost effective results.

Rapid Recovery Services, LLC is a 24 hours a day, 7 days a week full service emergency property damage mitigation, and reconstruction firm specializing in municipal, commercial and residential services. Our staff collectively holds over 75 years of experience in the restoration industry. Our areas of service include all 21 Counties of New Jersey.

Rapid Recovery Services, LLC has several open ended financial resources for its day to everyday business. We hold several credit accounts throughout our service area with local and national vendors. Rapid Recovery Services LLC has established and maintained excellent fiscal responsibility since its inception.

Rapid Recovery Services maintains an in-house crew, ranging in areas of expertise to provide personal guidance to expedite the property to pre-loss conditions. We are licensed in New Jersey, as well as, holding a public works certificate.

In addition to our full time staff, we have established strong relationships with the following outside resources including, but not limited to: lead and asbestos abatement companies, industrial hygienists, licensed electricians and plumbers, labor crews, specialty contractors – tile, flooring, window and door specialists, debris removal companies and on / off site storage companies.

Rapid Recovery Services offers a full range of emergency mitigation services, from site assessment through complete turnkey reconstruction projects. Each loss has a dedicated project

manager assigned to it. By offering these services either in-house or through our dedicated network of disaster repair specialists, Rapid Recovery takes charge of the recovery process working in conjunction with the Fund Member and Third Party Administrator. This comprehensive approach is matched by Rapid Recovery's commitment to client satisfaction, delivered by an expert emergency mitigation team and specific site project manager.

We offer our clients an added service of participating in our Emergency Response Program. Rapid Recovery Services will assist in designing a program that coincides with your business continuity plan. When disaster strikes, our disaster restoration professionals will be there to make sure the job is done quickly and efficiently.

Making a referral to Rapid Recovery Service is easy. You can reach a professionally trained Customer Service Representative Monday through Friday from 7:30am – 5pm by calling toll free 1 (866) 505-5600. After hours, you will be directed to a member of our management team, via a telephonic prompt system.

Our property loss / intake process can be customized to meet your needs, but generally is as follows:

- Identify and obtain loss information
- Dispatch appropriate emergency crew within an hour to secure loss site, begin clean up, structural drying, deodorization, stabilization of the property
- Obtain property sketch, photos, detailed loss description, and signed authorizations
- Prepare detailed, itemized estimate/appraisal in Xactimate pricing software
- Updates to the appropriate contact throughout the progress of the provided service
- Our in house staff and proven subcontractors will ensure that proper coverage is in place, and minimize and control expenses
- On-site job supervisor to manage and maintain job progress
- On- going communication with insured member and adjuster
- Rapid Recovery Services is prepared to provide reconstruction services immediately following the remediation of a property loss. This process can be initiated during the mitigation phase. By expediting a detailed scope of work with like, kind and quality of materials, an agreement may be secured *with the adjuster's approval*. Through expeditious implementation of a recovery plan, significant dollars will be saved by restoring the member to "whole" in a timely fashion

Rapid Recovery Services has no existing or potential conflicts of interest, and disclose any representation of parties or other relationships that might be considered a conflict of interest with regard to this engagement, or the Fund.

Rapid Recovery Services has made no contributions to any official, candidate, joint candidates, committee or political party representing elected officials or candidates as defined pursuant to N.J.S.A. 19:44A-3(p), (q) or any member local unit insured by the Municipal Excess Liability Joint Insurance Fund.

Management Team

Robert Newman, President

A seasoned construction professional, Bob Newman has been driven to exceed client expectations since the start of his career in 1978 as a carpenter's apprentice. Working his way up through the Carpenters Union Local 15 as a Journeyman, Foreman and Supervisor, Bob concluded his union tenure as a Master Joiner & Millwright. In 1989, he parlayed his growing customer base into a successful New Jersey-based custom carpentry business, which quickly grew into a General Contracting firm specializing in project design and management. In 1999 Bob expanded his services to include emergency property damage mitigation and reconstruction.

As President of Rapid Recovery Services, LLC Bob has assembled an integrated staff of industry experts who share his passion for client satisfaction while offering the expert emergency mitigation services.

Matthew Battle, Vice President of Operations

As Vice President of Operations for Rapid Recovery Services, LLC Matt Battle performs many of the company's administrative and marketing functions. He serves as the company comptroller and oversees finances and business procedures. Matt is in charge of preparing the certified payroll for all municipal business along with accurately tracking and paying employees in prevailing wage per the NJ Department of Labor Laws.

Matt is also the company's resident Xactimate® expert, providing fast, accurate and thorough job estimates to customers using the industry standard in estimating software. In addition to providing these key support services, Matt works in the areas of sales, project tracking and field operations oversight. Matt holds a degree in Business Administration from St. Thomas Aquinas College.

Joyce Newman, RN, Vice President of Business Development & Client Services

Joyce Newman brings the strategic focus, vision and judgment gained during a successful career in business development and client services to Rapid Recovery Services. She parlays her experience in the workers' compensation medical management arena to property mitigation maintaining a proactive approach to employee / client wellness and safety. Joyce maintains rapport with clients making periodic visits; exploring and anticipating client's needs.

Joyce holds a nursing degree from Felecian College. She is a member of the New Jersey Self Insured Association and works closely with the NJSIA education program committee.

Nick Washnik, Project Manager, Supervisor

Nick has worked in the emergency mitigation services business for Nine years, starting out as a cleaning and demolition specialist. In that time he has successfully been at the forefront of the commercial and industrial EMS (Emergency Management Service) and restoration scene as a project manager. He has worked numerous projects throughout New Jersey from residential homes, luxury condominiums, municipal and school buildings. As a Crew Chief for Rapid Recovery Services, Nick brings his broad base of expertise along with a strong commitment to the company's clients and their needs.

Americans with Disabilities Act of 1990

The CONTRACTOR and the OWNER do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "ACT") (42 U.S.C.~ §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any act benefit, or service on behalf of the OWNER pursuant to this contract, the CONTRACTOR agrees that the performance shall be in strict compliance with the Act. In the event that the Contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the CONTRACTOR shall defend the OWNER in any action or administrative proceeding commenced pursuant to this Act. The Contractor shall indemnify, protect, and save harmless the OWNER, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The CONTRACTOR shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the OWNER grievance procedure, the CONTRACTOR agrees to abide by any decision of the OWNER which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the OWNER or if the OWNER must any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the CONTRACTOR shall satisfy and discharge the same at its OWN expense.

The OWNER shall, as soon as practicable after a claim has been made against it, give written notice thereof to the CONTRACTOR along with full and complete particulars of the claim. If any action or administrative proceedings is brought against the OWNER or any of its agents, servants, and employees, the OWNER shall expeditiously forward or have forwarded to the CONTRACTOR every demand, complaint, notice, summons, pleading, or other process received by the OWNER or its representatives.

It is expressly agreed and understood that any approval by the OWNER of the services provided by the CONTRACTOR pursuant to this contract will not relieve the CONTRACTOR of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the OWNER pursuant to this paragraph.

It is further agreed and understood that the OWNER assumes no obligation to indemnify or save harmless the CONTRACTOR, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the CONTRACTOR expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the CONTRACTOR'S obligations assumed in this Agreement, nor shall they be construed to relieve the CONTRACTOR from any liability, nor preclude the OWNER from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that the person or entity, or one of the person or entity's parents, subsidiaries, or affiliates, is not identified on a list created and maintained by the Department of the Treasury as a person or entity engaging in investment activities in Iran. If the Director finds a person or entity to be in violation of the principles which are the subject of this law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the person or entity.

I certify, pursuant to Public Law 2012, c. 25, that the person or entity listed for which I am authorized to bid/renew:

Bidder/Offeror: Rapid Recovery Services, LLC

☒ is not providing goods or services of \$20,000,000 or more in the energy sector of Iran, including a person or entity that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran;

AND

☒ is not a financial institution that extends \$20,000,000 or more in credit to another person or entity, for 45 days or more, if that person or entity will use the credit to provide goods or services in the energy sector in Iran.

In the event that a person or entity is unable to make the above certification because it or one of its parents, subsidiaries, or affiliates has engaged in the above-referenced activities, a detailed, accurate and precise description of the activities must be provided in part 2 below to the Division of Purchase under penalty of perjury. Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN

You must provide, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.
