Ghani, PERMA

Management Committee met on October 14<sup>th</sup> to review the following items:

### **Budget & Market Renewal Update:**

Executive Director said the Board adopted a 2021 Rate Table based on flat rates from at its June meeting in order for local JIFs to develop their respective budgets this fall. Executive Director said there were slight changes to the rate table; included in the committee agenda was a copy of the final revised 2021 Rate Table. Assistant Executive Director said the revised table reflects slight decreases to the Optional Excess Liability and Excess Property Premiums; rates in the table adopted in June were based on actual premium rates rather than budgeted rates, as had been the intention. Executive Director said since this represents less than a 5% change to the overall budget a state filing will not be required; however, it would be appropriate for the MEL Board to approve the revised rate table.

Underwriting Manager provided a verbal report on the 2021 excess insurance and reinsurance renewal negotiations with incumbent carriers highlighting the following:

- **Zurich Excess Property** initial negotiations reflect a 20% increase at expiring retention based on hardened market. Options for higher deductible or quota-share options are being reviewed.
- **BRIT Casualty Reinsurance** MEL attachment point is currently \$3million excess of \$2 million; Underwriting Manager reported there may be an opportunity to self-insure this layer for anticipated 30% savings as compared to expiring program based on 10-year loss portfolio, as provided by the Actuary. Savings help offset anticipated increases elsewhere.
- MunichRe and Chubb, Excess Casualty Reinsurance Underwriting Manager reporting both carriers have quoted nominal increases; however, these layers are being marketed to obtain best

- pricing. Underwriting Manager noted Chubb is implementing virus exclusions on all their policies, which is why it will be aggressively marketed.
- Safety National Workers' Compensation anticipating a flat renewal; however, negotiations are still ongoing. Underwriting Manager reported Safety National is intending to remove the batch occurrence endorsement that is specific to bodily injury by disease. The MEL is still awaiting confirmation from Safety National that COVID-19 claims will be managed as one occurrence.

In response to an inquiry on potential savings to self-insure the Casualty Reinsurance, Underwriting Manager said the current premium is approximately \$5 million and 30% savings in potential dollars is \$1.5 million.

Executive Director complimented the efforts of the Underwriting Manager and team on renewal during a challenging hardened market being felt across the nation. Deputy Executive Director said based on the MEL's financial strength and authorization to self-insure up to \$5 million it is able to review options to self-insure when pricing makes sense, which is beneficial to its members during a hardened market not seen since the mid-1980s.

Executive Director reported initial exploratory discussions are being held on the formation of a Captive insurance company including preliminary review with the Department of Banking & Insurance to confirm tax-exempt status and other procedural requirements.

Requests for Proposals: Assistant Executive Director said Competitive Contracting RFPs were issued for the majority of the MEL's contracts – set to expire at year-end - and responses were due on September 9, 2020. Assistant Executive Director said Competitive Contracting process allows for contract awards for a 3-year period with two 1-year renewals and does not allow for fee negotiations. The MEL's Qualified Purchasing Agent (QPA) drafted the RFP form, which included language that prospective vendors would accept the fees set by the Board of Fund Commissioners on an annual basis at Reorganization.

Management Committee has been assigned to evaluate responses for the positions noted below. For the non-claims positions all positions received one response with the exception of *Actuary* and *Internal Auditor – Financial*.

Internal Auditor - Insurance

Assistant Executive Director said the QPA sent the Fund Commissioners of the Management Committee copies of the responses and rating sheets for each position. A copy of a consolidated rating sheet was drafted in excel for convenience was distributed.

Assistant Executive Director said Fund Commissioners of the Management Committee will need to individually complete the ratings sheet for each response. Claims Review Committee will review responses

submitted for Third Party Administrators and Managed Care Organizations and those vendors will be asked to complete a bill re-pricing exercise in order to compare pricing of networks. Safety & Education Committee will review MEL Safety Director/Trainer.

Assistant Executive Director said rating sheets should be completed prior to award in January 2021; discussion ensued and Fund Commissioners of the Management Committee agreed to complete the rating sheets by October 23<sup>rd</sup> and the Fund office would follow-up until all received.

**Employment Practices Program:** Executive Director said a webinar has been scheduled for October 29<sup>th</sup> at 2:00PM to provide guidance to members' counsel and administrators on the new Personnel Manual and Employee Handbook. In 2019, the MEL hired a firm to revise both documents. The MEL approved the revised documents at their June 2020 meeting, which were uploaded to the MEL website and notification was provided to MEL membership.

Commissioner Rheinhardt said he has historically incorporated the model Personnel Manual to draft the Employee Handbook in his municipality and inquired why the Personnel Manual and Employee Handbook were drafted as separate documents. In response, Deputy Executive Director said the model documents drafted by Matthew Giacobbe, Esq. were reviewed by the Model Personnel Committee to streamline documents; Mr. Giacobbe recommended separate documents. Assistant Executive Director said the MEL's policy has always been that members are asked to address specific topics in their manuals but they are not required to adopt exact documents. Assistant Executive Director said included with the MEL notice (and posted to webpage) on the EPL program was a memo highlighting the changes made along with reasoning.

Fund Attorney will be holding a "dry run" webinar to test out technology and content feedback; committee members identified individuals that may be interested in participating in the dry run, as well as, asking questions regarding new format or other policy questions.

**2020/2021 Elected Officials Seminar:** Executive Director said the MEL's Annual Elected Officials Seminar will be included in the League of Municipalities Virtual Conference. Executive Director said the program was filmed on 10/13 and is being edited. Executive Director said in addition to the League session it will be made available on the MEL website.

**Remote Public Meetings:** The Division of Local Government Services issued Local Finance Notice LFN2020-21 regarding holding remote public meetings during a declared emergency. Fund Attorney is working on a draft model for the MEL to adopt.

Fund Attorney said the MEL and affiliated local Joint Insurance Funds have historically included public portion of meetings in their agendas, but are not technically required to do as are municipalities and school boards. Fund Attorney said while not required to, it has been traditionally scheduled on JIF agendas; however, monitoring public comment can be more difficult virtually and suggested MEL meeting procedure be broad enough to eliminate public portion or manage public portion. Fund Attorney will draft policy and circulate to the Management Committee for feedback. Fund Attorney said a draft may be available to review at the November or January MEL meeting, which will be distributed to this committee first. Commissioner Clarke inquired if the policy will include guidance on meetings conducted via remote technology and voting remotely; in response Fund Attorney said it will be included in the policy.

**2020 Fiscal Management Plan Amendment:** Executive Director said the Fund Office has been notified that Ms. Janet Buggle has retired from Qual-Lynx. Ms. Buggle is an authorized signer on the Qual-Lynx claims accounts; therefore, she should be removed. Investors Bank has requested a revised Resolution to remove her as a signatory, which will be included in the October agenda.

**Legislative Committee:** The committee is scheduled to meet at 11:00 am on October 14<sup>th</sup>.

**Safety & Education Committee:** The committee is scheduled to meet on November 10<sup>th</sup>. Executive Director said the Risk Management Manual has completed editing and has been sent to the printer for fulfillment.

**RCF Report:** Executive Director said the RCF will be meeting prior to the MEL to conduct a public hearing on its 2021 Budget.

**Cyber Task Force:** Deputy Executive Director said the MEL's Cyber Task Force has been meeting throughout the year to the MEL's Cyber Risk Management Program and is expected to finalize shortly. There will be clarification on Tiers 1 and 2 and a third tier will be added.

Coverage Committee: A meeting of the coverage committee is in the process of being scheduled.

Claims Review Committee: The Claims Review Committee met on June 3, 2020 and July 16, 2020. The committee will be meeting next on October 21, 2020.

### **CORRESPONDENCE:**

### **EXECUTIVE DIRECTOR REPORT:**

**BUDGET UPDATE**: Enclosed in the agenda was a copy of the budget and rate table that was adopted in June.

Executive Director and Underwriting Manager reported they are focusing on identifying ways to keep the budget flat. Underwriting Manager said the commercial market has hardened to a degree not seen since the 1980's, which was a factor in the formation of the Joint Insurance Funds. Underwriting Manager went on to identify drivers of the change, notably an increase in the number of worldwide natural disasters as well as increases in fires or water damage to buildings. Casualty market is also see across the board increases in rates and a reduction in limit, partly resulting from increases in settlements and jury awards (social cost inflation). Executive Director said the MEL would be considering altering the program structure, i.e. changes/increases in the MEL's retention.

Executive Director noted that another item for 2021 is that a majority of the MEL contracts for professional services will expire a year-end; Competitive Contract Request for Proposals (CCRFP) were advertised earlier this summer and responses are due on September 9<sup>th</sup>. Executive Director said the responses will be reviewed and scored by the appropriate MEL sub-committees that serve as the Evaluation Committees.

MEL SAFETY INSTITUTE: Executive Director reported in June, the MEL amended its contract with J.A. Montgomery to include compensation for conducting webinar training, but did not address compensation for the hours spent by J.A. Montgomery in developing these courses as well as the time spent to add streaming video training. Included in the agenda was Resolution 34-20 to address this matter. Executive Director said J.A. Montgomery has always been provided with a budget amount for the MSI schedule and consulting, but it had not been included in the contract. The recommendation is to add an overall not to exceed amount to the contract and this language was included in Resolution 34-20.

Safety Director said they have been able to expand the number of online classes to 60 sessions and added that the response to "instructor led" online classes has been very favorable. Safety Director said, given the attendance in the online classes over the summer, he actually expects that members will have more employees trained in 2021 that prior years.

## MOTION TO ADOPT RESOLUTION 34-20 AUTHORIZING AN AMENDMENT TO THE J.A. MONTGOMERY CONTRACT.

Moved: Commissioner Rheinhardt

**LEGISLATIVE COMMITTEE:** The committee met on June 25<sup>th</sup> and August 17<sup>th</sup>; enclosed in the agenda were the minutes of those meetings. Committee Chairman Cuccia said the committee reviewed legislation A3971 that authorizes the issuance of "coronavirus relief bonds" by municipalities and counties and was recently signed into law by the Governor.

JOINT CASH MANAGEMENT INVESTMENT PROGRAM: Commissioner Cuccia reported the JCMI's earnings to date have been \$1.5 million, without the JCMI, earnings in a conventional program would have been \$200,000. In addition, the MEL saved towns \$180,000, when compared to cover bid. Treasurer said with the current 7 JIFs participating in the JCMI, cash and investments total \$184,000.000; with 3 more JIFs expected to participate in October, the total will be \$230,000,000. Treasurer said the program has been very successful.

**SAFETY & EDUCATION COMMITTEE:** The committee met on August 17<sup>th</sup>; enclosed in the agenda were the minutes of that meeting. Committee reviewed a draft of the Risk Management Manual, providing fundamentals of the MEL program, and recommends publication and distribution to members. Marketing Manager is working with printer on fulfillment at a cost of approximately \$40,000 (to distribute to all governing body members, fund commissioners, administrators and risk management consultants – approximately 7,500 copies).

Commissioner D'Arco inquired if the manual could be distributed as a .pdf file instead of a printed document. Executive Director said the manual is 250+ pages and drafted to be a desk reference. Fund Attorney said the MEL has historically provided resources to its members and noted this manual would act as a treatise that elected officials would be able to refer to as a permanent resource. Commissioner Champney inquired if members could opt for a hard copy or online version of the manual to potentially reduce printing costs. In response, Executive Director said that could be explored, but noted the project was envisioned to be desk reference, as well as, training guide for newly elected officials. Commissioner Catenaro acknowledged the concerns expressed regarding printing costs, but would support distribution of the manual as a hard copy noting that receipt of a hard copy may be easiest to refer to than online. Chairman Merchel inquired if this manual would be included as part of online resources available on the MEL website; in response Executive Director confirmed it would be.

**RCF REPORT:** Included in the agenda was a copy of Commissioner Clarke's report on the RCF's June meeting. Deputy Executive Director said the RCF met this morning and approved the amended 2019 Budget, which included the transfer of 2015 liabilities from local JIFs and introduced the proposed 2021 Budget.

**CYBER TASK FORCE:** The MEL's Cyber Task Force has begun the process of revising the MEL's Cyber Risk Management Program. Members that are currently in compliance will be provided with a six-month grace period to update to the new program, once it is finalized and distributed.

Commissioner Rheinhardt said the "Best Practices Checklist" issued by the State is expected to include questions on cyber security risk management. Commissioner Rheinhardt added the importance of continuing to highlight the Cyber Risk Management Program to MEL members as less instances of cyber breaches have occurred since release of the program. Underwriting Manager noted that of the 100+ cyber claims over the past 3 years – which incurred approximately \$8 million of expenses – not of those members that had a claim were in compliance with the Cyber Risk Management Program. Chairman Merchel said there is a huge weight placed on municipalities or corporations in terms of managing cyber security matters and noted rating agencies are reviewing these practices in detail. Underwriting Manager said he recently met with representatives from Moody's to discuss the MEL's current program to address cyber security and they were thrilled with what the MEL currently has in place.

**COVERAGE COMMITTEE:** A meeting of this committee is being scheduled for late September.

**EPL COMPLIANCE PROGRAM:** Executive Director said the training components related to the EPL program for Elected Officials, Managers/Supervisors and Police Command staff are in the final stages and will be transferred to online format and a notice will be issued to members on how to access. The recently revised model personnel manual and handbook have been posted on the MEL website for members to access.
