Flood, Special Flood Hazard Area (SFHA)

As respects the primary \$500,000 layer, the Member JIFs and MEL do not provide primary flood coverage for any locations wholly or partially within Special Flood Hazard Areas (SFHA), as defined by the Federal Emergency Management Agency. As such, the members' deductible Per Location is the maximum available limits from NFIP (typically \$500,000 building, \$500,000 contents), regardless of whether such coverage is purchased, but no more than the value of the property.

The member local unit may purchase this coverage from the National Flood Insurance Program or anywhere else they wish. If you do not have an RMC, NFIP flood coverage quotations can be obtained directly on line via the NFIP website at www.nationalfloodinsurance.com/NFIP/quote.htm. We suggest you consult with your Municipal Office of Emergency Management (OEM) Director for updated flood zone determinations.
