BULLETIN MEL 24-17

Date: January 1, 2024
To: Fund Commissioners of the Municipal Excess Liability Joint Insurance Fund
From: Underwriting Manager, Conner Strong & Buckelew
Re: Excess Workers Compensation Coverage – Use of Aircraft for Municipal Business

This bulletin does not apply to the Board of Education members of the Suburban Metro JIF.

This is an annual reminder that due to the requirements set by the MEL excess workers compensation insurer, in order for workers compensation coverage to apply for bodily injury or death to an employee, volunteer or public official for the following exposures, the JIF must be notified and the attached application must be completed and submitted for coverage consideration prior to the actual use of the aircraft. If approved for coverage there will be an additional assessment.

The “aircraft related” exposures affected by this requirement is when an employee entering into, alighting from or riding in any aircraft that is owned, leased, chartered or operated by the Member Entity or Member Entity’s employee, volunteer, or public official.

If you have any questions, please contact your Risk Management Consultant, JIF Executive Director or the Underwriting Manager.

This bulletin is for information purposes only. It is not intended to be all-inclusive, but merely an overview. It does not alter, amend or change your coverage. Please refer to specific policies for limits, terms, conditions and exclusions.
