MUNICIPAL EXCESS LIABILITY JOINT INSURANCE FUND  
COMMENTS AND RECOMMENDATIONS

Suggestions to Management:

Net Position

The Fund has experienced a decline in Net Position in five of the last seven years. The decrease in Net Position is attributable to a number of factors including natural disasters, the Covid Pandemic, low interest rates and changes in exposures as a result of legislation/regulation. We suggest that the Fund continue to monitor its operations, making changes as necessary.

Governmental Accounting Standards Board Statement No. 102 – Certain Risk Disclosures

This Statement is effective for the calendar year 2025 financial statements of the Fund. We suggest that the Fund review this Statement in conjunction with their operations to determine whether the Fund will need to implement the disclosures required by this Statement.
